

Kettering Physician Partners KH Network Credit Union

Valuable member
services

The KH Network Credit Union continues to serve Kettering Health Network health care workers, their families, and associated networks. The credit union provides quality financial products and services in a professional, courteous and timely manner.

Unlike other financial institutions which must generate a profit to satisfy stockholders, credit unions are member owned and operated. They return excess earnings to members in the form of competitive dividend rates, competitive interest rates on loans, and valuable products and services.
