

Kettering Physician Partners Managed Care Contracts

Incentive
payments

Kettering Physician Partners negotiates contracts on behalf of our providers who are equitably compensated for the high-quality care and cost management they provide to their members. With a selective contract category methodology, we provide a variety of participation options that will infuse your practice with exceptional benefits.

In the past five years Kettering Physician Partners has paid over \$9 million dollars through our incentive payment program, which is divided into three main sections:

1. Quality
2. Care management
3. Shared savings
